

PART II: Summary Report

Part II helps to identify the quality of projects and the impact on the chapter and the community. Submit this form to the Chapter President within 10 days after completion of the speaking engagement, project, or other activity. If the project/event is ongoing, please combine your data on this form or in a report and submit to the Chapter President by December 15 so those data can be included in the annual report.

Submit to: Chapter President - **Susan Powell** (smapowell@cox.net)

Or mail to:

**Historic Rivers Chapter Virginia Master Naturalist
PO BOX 6424
Williamsburg, VA 23187**

Project or Event Name:	Information Booth for "Cabin Fever" New Quarter Park

Audience Characteristics: e.g., under-served population and/or potential master naturalists, other					
Summary of Event : Include changes from original proposal, area of impact, and information about VMN role	The event is sponsored by York County Parks and Recreation. The event provides an opportunity for local clubs and organizations that use the park to meet each other and swap information about their clubs/organizations. Our booth was designed to offer information about the Virginia Master Naturalist program. VMN volunteers spoke with and answered questions regarding the program.				
Evaluation: Successes, participant satisfaction, lessons learned, future guidance, reasons to work with (or not) the organization in the future, ideas for speakers or engagements, etc.	This event gave our chapter an opportunity to speak with several people who are interested in becoming involved with the Master Naturalist Program. We were able to capture the names and email addresses of several potential volunteers. Jim Sexton who is the webmaster for the Tidewater Appalachian Trail Club has agreed to post a link to our website on their website. This is already approved as an ongoing project.				
Are you willing to repeat this activity?	<table border="1"> <tr> <td style="width: 30px; text-align: center;">x</td> <td>Yes</td> </tr> <tr> <td></td> <td>No</td> </tr> </table>	x	Yes		No
